ELECTION SPECIAL - THURSDAY 10 JUNE 2004

Hiltingbury - It's Time for a Change!

● Dale Lane with Cllr Pam Holden-Brown and Sandra Gidley MP at Hiltingbury Recreation Ground

Local Campaigner Dale Lane has pledged to get REAL action to tackle long-standing issues around our area after the Borough elections.

Dale and the Lib Dems have highlighted:

- the need to involve local people in addressing traffic and planning issues
- poor maintenance of many public areas
- speeding up improvements at Hiltingbury Recreation Ground
- addressing anti-social behaviour

Dale Lane can bring a breath of fresh air for Hiltingbury, which has stagnated over the last two years of Conservative control. It's time for a change!

Oakmount

The Conservative-run Area Committee delayed a clean-up campaign for the greenway through from Oakmount Road through to the Westmorland Way Play Area in case the land could be built on. We objected and got them to see sense!

It's time for a change in Hiltingbury!

Don't lose your votes...

If you could be away or can't get to the polling station for any other reason on June 10th, apply for **POSTAL VOTES** now to make sure you get your say!

Just ring the Council's Election Office on 023 8068 8110 or contact any of your local Liberal Democrat team.

Some parties only appear when an election approaches...

...but the Lib Dems and FOCUS are here **ALL YEAR ROUND!** Do the other parties **REALLY** deserve your support?

Labour can't win Eastleigh...

Everyone knows that Labour always come last across the Borough.

The choice is clear. It's **either** the Tories, who have put up the Council Tax and want to build across our countryside, **or** the campaigning Lib Dems who have improved services, worked for local people and keep in touch all year round.

It's a straight contest - who do YOU want running YOUR Council - the Tories or the Lib Dems?

3 Things to Remember about this election -

The Liberal Democrats have kept their promises.

The Borough's Council Tax is up **less than inflation** and guaranteed for three years!

Labour have broken election promises - the NHS in crisis, failure to tackle crime **AND** bigger national taxes.

The **Conservatives** have put **UP** the County Council Tax - nearly **DOUBLE** in 7 years! They don't deserve your vote!

Anger Grows at Tory Trip Down Under!

It's no wonder the Conservative County Council has hiked up the Council Tax again...

...after a Tory Hampshire Councillor bagged an expenses-paid trip to New Zealand paid for by **YOU!**

Is this **REALLY** what we pay our Council Tax for?
